

Suppo

Rigid films and laminates for suppositories

Liveo's solution for **suppository packaging**. Whether as rigid films for lamination with PE or as ready laminated structure with PE. Our special base film-formulations (depending on customers machinery equipment) **are each printable** and **easy to process** on customers forming lines. In addition the structures are also useable for **Unitdose packaging**.

AVAILABLE STRUCTURES

Suppo MV

1-layer film

Suppo SP

2-layer structure

PROPERTIES & BENEFITS

PRINTABLE

both structures, whether mono or laminated with PE, can be printed easily

STRUCTURES

different formulations in rigid films and PE, depending on customers machinery we recommend the one that fits best
