Press Release

Liveo Research AG Sells Shrink Film Business to Pentapart GmbH

Basel, November 1st, 2026 – Liveo Research AG has sold its shrink film business, based in Staufen, to the investment group Pentapart GmbH. As of November 1, 2026, it has been operating as an independent company under the name Staufen Films GmbH. The company has already been given its own logo, and work is currently underway on its own website.

The new owner of Staufen Films GmbH, Pentapart, has many years of experience in acquiring companies and brings with it a broad network and in-depth expertise from which the new Staufen Films GmbH will benefit in the future. Pentapart will continue to support Staufen Films GmbH as an active shareholder and assist in its development.

“We wish the new owners and employees of Staufen Films GmbH every success in the company’s continued development,” says Dr. Carsten Heldmann, CEO of Liveo Research.

Pentapart – An Overview

Based in Essen, Pentapart GmbH invests in companies emerging from carve-outs or special situations. The firm currently holds a portfolio of eight companies, with a combined turnover exceeding EUR 150 million and a workforce of more than 700 employees.
